

LESSON SELF-REFLECTION 1

Complete one for each formal and informal observation.

Lesson objectives/goals:

Strengths of the lesson:

Evidence of student learning:

To what extent did you meet your instructional goals?

Obstacles to student learning and suggested solutions (including necessary resources):

To what extent do your classroom setup and procedures (use of space, student conduct, routines) contribute to student learning?

What might you do differently if you taught this lesson again?

What professional development would enhance your work with students related to this lesson?

Am I on track to attain my SGO?
